

THE 2010 HUMANE SOCIETY OF PIKE COUNTY CALENDAR

In 2008, the Humane Society of Pike County (HSPC) was donated 12 acres of the 67 acres of land that Delores Hutter willed to the Humane Society US Wildlife Land Trust. Located on the 12 acres are a house, barn, and metal building that need to be renovated into kennels for the animals. *The HSPC is asking you to help!* When you purchase a calendar, become a member or make a donation, it goes towards making the HSPC a stronger, more viable alternative to pet control and rescue in our area today. The HSPC is a 501(C)(3) organization and is tax deductible to individuals giving support to the shelter. The HSPC provides a spay/neuter program (in 2008 605 animals were spayed/neutered). The HPSC also provided an education program for

Pike County and Troy City schools, feral cat program, adoption, emergency veterinary assistance, and other services for abandoned and neglected animals. Won't you please help **YOUR** humane society today?
